INTERACTIVE DATA AND IL SOLE 24 ORE INTRODUCE NEW FINANCIAL INFORMATION SERVICE IN ITALY

Joint product PrimeTerminal 24 designed for Italian financial service providers

Frankfurt and Milan, November, 29 2007 – Interactive Data Corporation (NYSE: IDC), a leading provider of financial market data, analytics and related services, today announced that its Managed Solutions group and Il Sole 24 Ore Finanza, a leading provider of financial information to the Italian market, have together launched PrimeTerminal 24, a financial information terminal designed for retail advisors, private bankers, wealth managers and asset managers in Italy. PrimeTerminal 24 is a customised version of the PrimeTerminal product group provided by Interactive Data, tailored to fit sales, investment and consultancy processes of professional clients in private banking, wealth management and asset management. Il Sole 24 Ore will exclusively market the new service to the Italian market.

PrimeTerminal 24 offers access to more than 40 international exchanges and exchange groups, in-depth statistical, reference and derived data for stocks, bonds, funds and derivatives, bond ratings, fundamental analysis on Italian and foreign securities, technical analysis via advanced charting modules, and professional tools for derivatives analysis. News feeds include news from the Italian press agency Il Sole 24 Ore Radiocor and international news in English. Additional content provided by Il Sole 24 Ore includes in-depth analysis of Italian companies, data and news relating to technical analysis, and selected daily news from the Il Sole 24 ORE newspaper.

PrimeTerminal 24 was introduced on Thursday, 18 October 2007 during the 5th Annual Economia & Finanza Conference organised by Il Sole 24 Ore in Milan, Italy.

Giuseppe Donati, managing director, Interactive Data Managed Solutions in Italy, commented: "We are very excited to cooperate with Il Sole 24 Ore, a leading player in the Italian market, and look forward to providing financial advisors in Italy with information designed to meet their specific needs with PrimeTerminal 24."

Matteo Cascinari, multimedia area director at Il Sole 24 Ore, commented: "Il Sole 24 Ore chose to cooperate with Interactive Data as they are acknowledged to be a well-known international market leader. Through this cooperation we expect to be able to provide high quality content as well as fast and continuous delivery of new analysis tools to Italian customers."
